*laughter* A BLUSH *a Hug* PASSION *emotion* LOVE

We just couldn't wait 'til spring to spread our good news!

*Pure Expressions Photography is now ...*

Now back to your regular programming ...

What will you do for YOU this year?

BEGINS DECEMBER 1, 2009  
WOMEN'S INTIMATES

919.362.9039

In early 2009, forty-eight children participated in the National Charity Model Search and four of ours found themselves on stage in February at Sandy Puc' tour stop!

In all, donations reach OVER **\$164,000** dollars to our favorite charity - Now I Lay Me Down to Sleep.

This year it's all about the FAMILY and yours could be the recipient of a new car!

What's that you say?  
Pure Expressions Photography is going  
away?

Why, Yes. Yes. Yes it is,  
replaced not by a cliché.

Then what, you ask?

Why? What went wrong?

Not a thing. Just press on.

We found it's time  
to sing a new song.

*And that, my friends, is my sorry excuse for poetry. On January 1, 2010, we will enter a new era of photography with a new company name, new purpose, new goals but old friends and spruced up studio. We are not going anywhere ... except to press on into the future. We bid farewell to PEP and ring in the new year with Aimee Laine.*
