Merry Holidays

It's November already and with that comes Thanksgiving (eat too much) followed closely by December (spend too much). I wrote an article for CIRCA Magazine's Fall 2010 Issue about just this dilemma. It's called *The Holidayze*. I hope, no matter what, that you enjoy family, friends and loved ones as much as I will this season. May you be blessed abundantly with cheerful hearts and a willingness to give of yourselves this holiday season. [Read The Holidayze online](#) or grab a copy of your own. They can be found in N. Raleigh and Wake Forest.
