AIMEE'S 2011 PHOTOGRAPHY SCHEDULE

Looking to plan out your 2011? I'll be shooting one Saturday a month and each Thursday late afternoon/evening.

The only exception is for infants within the first 7 days after birth, since we absolutely **MUST** fit them in during that window to get the uber-cute, scrunchy and smoshy photos that are my signature.

If my schedule doesn't work for you, Michelle is up in Wake Forest and Malissa is out in Durham and their schedules vary. Just email the studio through our online form, and we'll see what we can do!

NANOWRIMO

Back in November, I took the challenge to write 50,000 words in a new work of fiction. On

November 17th, I hit 50,012 words, and on November 27th, I hit 80,427 to finish the novel. This, amazingly, is my 6th novel. If you know anything about the publishing industry, it's that it's a slow process to getting published. It may in fact take me 10-15 complete

novels to get there. In the meantime, if you're interested, you can read snippets of the newest one on the [Emi Gayle Blog!](#)

HAPPY HOLIDAYS!

From our family to yours, enjoy this holiday season. Eat, drink and be merry, travel safely, share with family and friends, and ring in the new year with spirit and purpose, No regrets. No 'if only's'. Just flip the calendar, start a new

cycle and everything begins again. Right? May we all prosper abundantly and remain blessed by

those around us as we end 2010 and bring in 2011. Merry Christmas & Happy New Year!
